

Announcements

Last Sunday concluded the two-week nomination portion of our elder selection process. Those nominated were contacted this past week and asked to begin the process of discerning their availability to serve. On Wednesday, Oct 21 at 7:30 PM, the elder candidates will gather in the sanctuary to share their individual discernment and then, along with the current elder team, create a slate for the congregation to vote on. Continue to pray for the God's guidance in this process and for our elder candidates as they discern their availability to serve.

The elders encourage everyone to continue to make wise choices regarding their health and the health of the congregation. In an effort to build trust and lessen hearsay, the elders ask that if you are sick, test positive for Covid or feel you may have had direct exposure to Covid, please stay at home. We encourage you to contact someone on the elder team so you can be prayed for, and that the plan for your recovery or quarantine is known. Should someone attend worship and then discover that they have Covid, the elders will assist in notifying the congregation as appropriate.

Live Stream Notice ~ PVMC will not be live streaming the service next Sunday, October 18. However, the recording will be available Monday evening from the Church's website or YouTube Channel.
