Thank You! Each Sunday of the year, persons give of themselves to help make our worship service happen. This is especially true when we move worship to a canyon. A special thanks to Kenneth and Janet Slagell for making the canyon available to us. A special thanks to each of you who helped with the worship service in any way. Audio/Visual committee, thanks for going mobile with the sound equipment so we can hear better. What would we do without those of you who made shuttle service possible? Thanks to each of you! The elders and wives prepared the food, so we could just come and enjoy it. This morning's worship could not happen if it weren't for the willingness of so many. Most of all, thank you for coming and being a part of our growing faith community! May God be the Glory!
