William is officially an Eichelberger! Thursday, May 11th, we were able to finalize William's adoption! We want to thank our church family, who helped make this possible. We are so thankful for all of the donations and prayers as went through both adoptions! Thank you, Hank, Chrissy, Henry, and William Eichelberger.

Ladies of PVMC You're invited to Brunch in the Barn, Saturday, June 3rd from 9:30-11 am. Come, bring a friend, and enjoy a yummy breakfast and fellowship with one another! There will be a plant drawing, so if you have a start of a plant or flower to share from cleaning out your flowerbeds, bring it along with you. There's always plenty, so certainly no obligation to do so! 2 ½ miles north of PVMC at Beth Switzer's barn. Questions: Contact Beth 580-302-0213.

Directory The church directory has been updated and posted to www.pvmcok.org under the resources tab. Please review your page and send any corrections or pictures to pvmc.office@gmail.com. If you would like a printed version to review please contact Amanda Miller.

SCMC Summer Assembly The South Central Mennonite Conference Summer Assembly will be held July 21st - 23rd at Pleasant Valley Mennonite Church in Harper Kansas. The theme this year is "From Surviving, through Reviving to Thriving" and will be led by representatives from Forge America. The weekend will be filled with worship, fellowship, teaching and, of course, taking care of some conference business. If you would like to serve as one of Pleasant View's delegates, please contact Pastor Jeff or one of the elders.

New local opportunity to serve There are a number of local churches that have been providing presents and birthday cakes to children in foster care. Pleasant View has been invited to participate. If this is something you, your Sunday school class, or other small group would like to learn more about and be involved in, please contact Angel Miller.

A New Church Barrel Train is being constructed The current barrel train has served the church and community well but needed some repairs. A decision was made to build an updated barrel train with a different coupling system and wider wheelbase to promote greater safety. If you would like to participate in the construction of the new barrel train, please contact Karl Stutzman or Pastor Jeff. Donations for the new barrel train can be directed to the trustees.
