Global Disciples Event Have you heard those stories about a Chinese Christian being put in prison for his/her faith and a church starting in the prison? It's happening and the same principles that cause that to happen can work here. Tim Sprunger and Jerry Meadows, of Global Disciples, will facilitate the conversation on the principles of disciple multiplication and we will apply them to our daily lives (at work, on a team, at the golf course...). Come to share and think and pray, not just sit and listen.
