Antique Car/Truck/Tractor Display at Day in the Country:

Do you have grandpa's old tractor out in the barn? Or your dad's vintage car/truck in the shed? This is your chance to get those antique vehicles out and give them a little sunshine! This will just be a chance for folks to enjoy looking at (not climbing on or in) the vintage vehicles in our community. It is not a judged event, it's just for the fun of enjoying the memories and history! An entry sheet will be provided for you to list the make/model of your vehicle as well as any history you may know. So, get those vehicles up and running and feel free to invite any friends who may be interested in bringing their vintage vehicles. Contact Tonia Martin if you have any questions.
